

# 2024 IMPACT REPORT

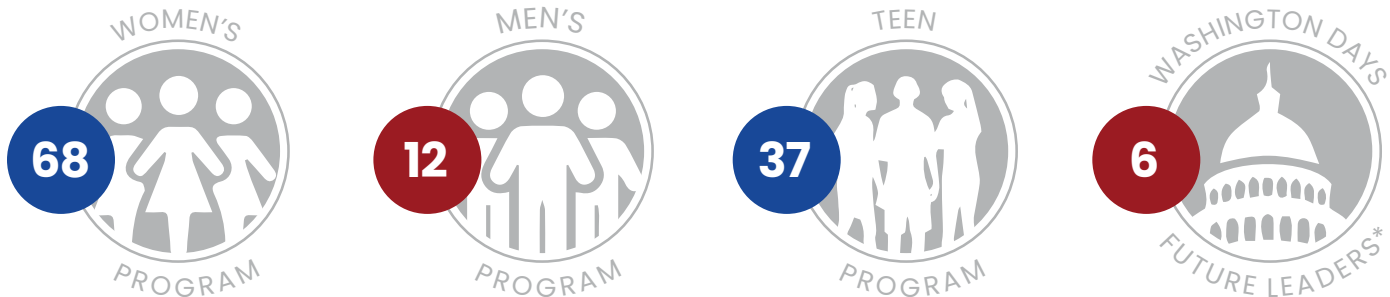

At Arizona Bleeding Disorders, our mission is to improve the quality of life for those affected by bleeding disorders through advocacy, education, and support. This year, we've achieved remarkable milestones. Explore our journey and the impact of your support.

## BY THE NUMBERS

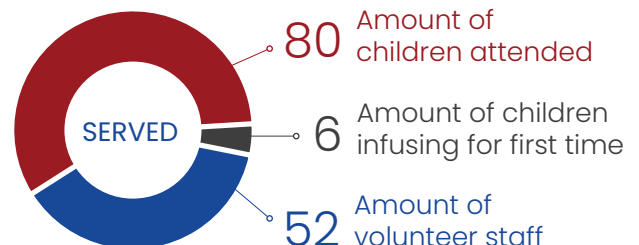

## PROGRAM ATTENDANCE

\*Six Future Leaders attended Washington DC for advocacy efforts.

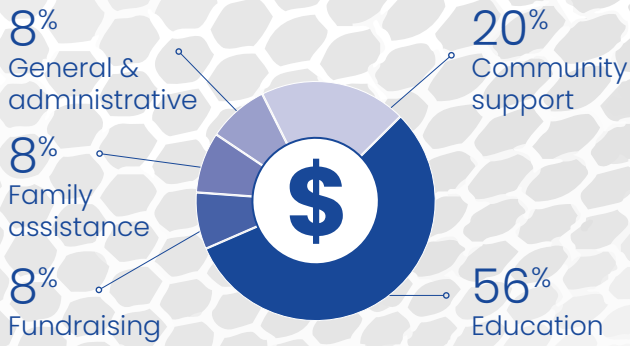

Camp HONOR (Hemophiliacs Overcoming New Obstacles Resourcefully) lets children with medical needs enjoy activities like canoeing, sports, and arts and crafts in a supportive environment tailored to them.

# FINANCIALS

## Expenses

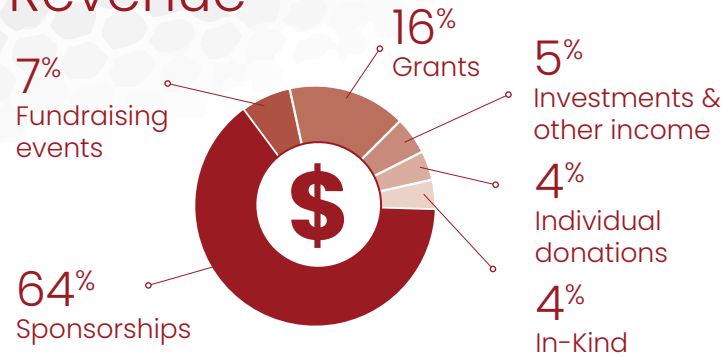

## Family Assistance

**\$19,510**  
Dispersed to families

**Thank You for Being  
Part of Our Journey**

## Revenue

Each infographic tells a story of triumph and growth. Your community support has been instrumental. To continue making a difference, please consider donating today to help us reach more families affected by bleeding disorders.

Together, we can create a brighter future for our community.
